

GObookings® is an Enterprise-level solution designed to be used by any size practice or business, from the largest to the smallest, for the scheduling booking and management of appointments and resources.

Below are extracts from emails and comments/feedback received from a mix of GObookings® clients when asked how the system is working for them...

- "Its good. I see what's going on and who's doing what..."
- Its going really well. Everybody absolutely loves it."
- "It's working beautifully... we're wrapped!"
- We love it. Its really good!
- "They are all using it - its absolutely fantastic."
- "Runs automatically. I don't have to do much... its a fantastic system."
- "Absolutely perfect for what I am doing."
- "We are a call center in Melbourne and we have 5 businesses using your system now... we like it."
- "You guys are legends. I really really like it!"
- "Re modification - thanks for all the effort – a great result."
- "I am sure you have been told many times, that this product is excellent, but above all the amount of new features I see coming through from time to time really take it to the next level in excellence and the more improvements are done, just makes it better and better. Keep Up the good work, and your price above all makes your product even better. You Guys Are Awesome!"

- "We love it!"
- "Such a cool system I love it"
- "Really really easy! It's a dream to work with."
- "It's a good robust system that meets management expectations."
- "It is a very good system."
- "I don't know what we'd do without it to be honest. It's a great business tool"
- "I'm loving the online bookings. It's been a month now and its great."
- "The SMS reminders have reduced the no-shows by around 50%"
- "Heaps of things you can do. Its fantastic! I have referred you to lots of my colleagues"
- "Its a fabulous system."
- "We are really enjoying it and our clients are finding it easy to use."
- "Thank you for providing us with this excellent service. It has been critical to helping us maintain a high quality vehicle inspection booking service".
- "You're an absolute gem!"
- "That was quick! We didn't expect a reply that quickly. We are always surprised how quickly you get back to us."
- "Nice speaking with you also. You've provided me with the best support I've ever experienced on the web...thank you!"
- "The call center in conjunction with GObookings is working really well and

<ul style="list-style-type: none"> • "Great support as usual." • "We are now taking more online appointments than we take over the telephone. I'm very impressed." • "Feedback for my GOb bookings system was extraordinary I can't move away from it!" • "I am impressed with the level of support we have received from GOb bookings." • "I'm going out on my own and I can't find a system better than GOb bookings." • "It's user friendly and very easy to implement." • "It's really good. It's great. I think it's fantastic... the clients love it." • "Our University vaccination program went smoothly without a problem. It took so long last year doing it manually, this time it was a breeze." • "Just a short note to convey my absolute satisfaction with regard to the service both yourself and your team have provided me since making the decision to use your GOb bookings services. Your level of service has exceeded my every expectation. Your "nothing's a problem" attitude will ensure my loyalty as a customer to your company. Other Professional Service Companies should take note". • "I love it...now I just watch my screen for the bookings taken by the Call Center." • "The no-shows have fallen off now that we are using your system with the SMS as well as email reminders for appointments. Great system." • "I have been using GOb bookings for well over a year now and it's working so well! I'm really pleased!" 	<p>the business is busier than ever!"</p> <ul style="list-style-type: none"> • "Its so much easier to manage the appointments for all our clinics... we are very happy with your service." • "Wow, what great customer service!" • "If I had a wish in my practice life it was to stop the phone from ringing. GOb bookings has offered the solution." • "Looks like the guys have been busy on the scheduler! I went in to work on the questions page for my inspectors and was thrilled to find that it had been totally re-done. I was able to re-configure the questions just like we needed, I noticed the Log Out buttons had been added and the wording of the "Owners Location/ Appointment Location" area has been changed. Excellent Customer service at GOb bookings! You have one very satisfied customer here! I think the scheduler will be much more easy for my inspectors clients to understand and use now. Just wanted to say Thanks! Extend my thanks to all the crew at GOb bookings as well! Take Care!" • "Much better than most that I have seen, that's for sure." • "It's fantastic. It is great to be able to book most of the patients in straight away rather than have you call them back with advanced bookings. With many of our callers people always expect that we are in your office and we are your Receptionist and should be able to help them then and there. Which now 99% of the time we can. It is fantastic and very simple to use. Every one can use it with ease." • "I have just joined up with you guys... not a bad service." • "I have 250 clients and see GOb bookings as a value add for the content development services I currently offer." • "Just a quick note to let you know our booking service went live this morning,

<ul style="list-style-type: none"> • "After literally searching the Globe for the best solution to our clients scheduling requirements and testing several other on-line solutions prior to deciding to go with GObookings, we can now say that we have made the right choice. The GObookings system proved to be simple enough for inexperienced computer users to embrace as well as comprehensive enough for our clients reporting and client management requirements. We can highly recommend the team at GObookings who have worked so enthusiastically to make sure that our implementation was simple and delivered on time." • "I have been using GObookings for my clients for some time now and it has become an almost invaluable tool in operating my office. Since I have started using GObookings it has become very integrated with my office in its uses for data look-up, Client info, messaging etc. In short, right now it could almost be viewed as the platform of my business..." • "I just love you guys so much... you are so wonderful" • "The clients are saying 'it's great!... it's great!'" 	<p>without a hitch. Thanks for your assistance and support in getting this up and running."</p> <ul style="list-style-type: none"> • "You have a fabulous product that would definitely suit speakers and entertainers." • "Since our design center has started using GObookings I leave earlier now and have more time for my daughter. Its wonderful. We have also reduced our customer waiting times dramatically. Thank you GObookings." • "During the comparison GObookings backend functionality was clearly way way ahead and stands out as having much more flexibility and depth." • "Thank you for your assistance with the implementation of the GObookings system, as you know we have been running the system successfully for over 6 months now and I firmly believe that we would have a riot on our hands if we tried to take it back off the staff and try to go back to the old manual booking system... keep up the great work." • "And thank you, the new system has worked fabulously well!"
